

BIM FURNITURE is a manufacturer, distributor and exporter of Polish furniture for 24 years. We are a trusted Business Partner in **30 countries around the world**, our biggest advantage is completion of the orders from different factories in one place.

OUR STRENGTHS:

- We follow the latest European furniture trends and have all the requested certificates
- We realize serial production orders as well as individual and unusual projects.
- We prepare all the necessary export documentation.
- We can deliver the furniture at any place in the world by road, rail, sea or air transport.
- We cooperate with large distributors, but also we are open to support beginners.

Our company guarantee quality and customer satisfaction for products that we deliver.
